Summary of reasons for decision:

The image file is a sexualised photo of a naked teenage boy. The image is classified as objectionable because it exploits the nudity of a young person to such a degree that its availability is likely to be injurious to the public good. An objectionable classification interferes with the right to freedom of expression as set out in the New Zealand Bill of Rights Act 1990, but is a reasonable limitation on that right in order to prevent injury to the public good.
